

Allscripts Analytics

Specifically Designed For:

- **Organizations new to Allscripts Analytics**

Organizations who want practical and effective basic user training to quickly access and use EHR data

- **Organizations experienced with Allscripts Analytics**

Organizations needing to supplement existing staff or with special reporting challenges

Training and Custom Reporting Solutions[®] For Allscripts Analytics

AmHiTech is a recognized leader in the training, utilization and support of Allscripts Analytics. Large organizations use our specialized skills to meet complex reporting requirements. And small organizations utilize our staff to augment their own reporting resources.

In addition to our reporting expertise, AmHiTech's clinical consulting services offer a fresh look at data capture, leading to reports geared towards ensuring maximum pay for performance revenues.

AmHiTech offers beginner and expert Allscripts Analytics training in your facilities or ours. And we can easily connect into your environment to provide fast, effective service.

Call or email us today to schedule a free introductory webinar that will change the way you look at clinical analysis and pay for reporting projects using Allscripts Analytics.
